What do you get?

A new Portal / E-Mail infrastructure has been put in place to cater for all students.

my.wits.ac.za (<https://my.wits.ac.za/>)

Right now, you will get:

- Your own e-mail address for the duration of your studies at Wits.
- Personal calendaring facilities.
- Instant messaging with any other Wits student.

Coming during 2007 you will also have:

- Integration with the various systems at Wits (eg. the Library and Exam results) to allow direct access via the portal.
- Integration of the Academic calendars with your personal calendar.
- Content customisation according your field of study.

How do you login my student portal account in 2007?

The creation of all student accounts (returning and new) is now automated as part of your registration. To get the best use out of this please note the following pointers.

Username: Your student number
Password: Your South African ID number
or
Your passport number

How do you reset your password?

Passwords can be reset via Password Self Service which you can do on the Student Portal home page.

The actual link to Password Self Service is:

<https://my.wits.ac.za/passwordselfservice>

Alternatively, you can contact the CNS Help Desk on (011) 717-1717 or E-mail ITHelp@wits.ac.za

What is the acceptable use policy for internet and e-mail?

All users must abide by the Acceptable Use Policy for the use of Wits' computer facilities. Copies of the policy are displayed in all Walk-in-Centres and on the Registrar's Helpdesk Web page.
